

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

A Lawyer's Novel

The Upas Tree

By Judge Robert M. Murdy

THIS book combines the charm of a romance, the grip of a detective story and the dramatic interest of a trial for life. It is replete with complicated legal situations and it presents the most powerful argument against the death penalty ever written.

The hero of "The Upas Tree" is Beckwith Miller, a lawyer of average ability, who is brought to the shadow of the gallows by a network of incriminating circumstances. In his legal defender, Colonel Sickles, a veteran practitioner, the author has created a character which will live in literature long after most of the heroes and heroines of the "best sellers" in the fiction of today are forgotten.

A really thrilling legal novel. Laymen, too, are bound to find it thoroughly entertaining.—Law Notes.

The tremendously thrilling and dramatic story of a man caught in the meshes of the law and haled to the brink of the scaffold for a crime of which he is not guilty.—La Follette's.

A persuasive protest against capital punishment.—Jane Addams.

It is excellent reading for the lawyer. It contains one of the truest descriptions of a trial it has been my privilege to see in print.—Sheldon Clark, Vice-President Callaghan & Co.

The story is told very interestingly, the trial scene being especially well presented.—Central Law Journal.

In The Upas Tree every lawyer will recognize some of his own experiences. But the author has also a special message. No intending reader, however, need apprehend that he will be bored by chapters of argument. There is not a word of argument in the novel itself, and certainly the novel's last chapter is most exciting. We have seldom read a chapter so climactic and so well sustained in its horrid suspense.—Illinois Law Review, Dean John H. Wigmore.

This is eminently a lawyer's novel. It abounds in thrilling and dramatic scenes. It presents as powerful an argument against the death penalty as probably ever was written.—Case and Comment.

The motives of lawyers and the operation of legal machinery are, perhaps, more carefully portrayed than in any work of fiction since Warren wrote his Ten Thousand a Year.—Chicago Legal News.

It is dramatic, interesting, and lawyers especially will enjoy the perusal of the problems and trials of the modern lawyer as portrayed in this volume.—Virginia Law Register.

No lawyer could read the book without becoming much interested not only in the "moral of the tale," but also in the trial and in the appellate procedure following it.—Michigan Law Review.

A novel, written by a lawyer of distinction, having a lawyer for its hero, and detailing with technical knowledge and accuracy a trial which culminates in his conviction, upon circumstantial evidence, for a murder which he did not commit, will certainly command the attention and interest of lawyers.—The Docket.

The Ideal Gift Book for Lawyer or Law Student

"The Upas Tree." By Robert M. Murdy. Illustrated. 12mo, 324 pages, full novel size. Beautifully printed on high-grade paper, and bound in extra vellum cloth, embossed in gold and color.

Price, \$1.50, postpaid to any address. Send orders to
